William Wallace, son of Henry Wallace, of Novinger, was drowned in Spring Creek near Danforth, Thursday morning. The young man was subject to fits, caused by serious illness several years ago. It is supposed that he drove into the creek to water his team, and stepped out onto the tongue to loosen the reins, when he was seized with a fit and fell under the wagon. He was found by John Stone lying in about ten inches of water, and had evidently been in there about an hour. The funeral will take place to-day at 11 o'clock a. m. from Mt. Moriah church. Rev. Whitehead will conduct the services.

Work on the Wabash depot began Thursday and will be rapidly pushed to completion. The building will be 150 feet in length and surmounted by a tower 55 feet in height from which will be unfurled the Wabash streamer. The location is an excellent one, at the foot of Washington street, on the east side of the track, giving ample room for depot grounds, and with a 500 foot platform extending from McPherson to Washington street, will make it easy of access from the business center. The Hicks restaurant, cigar factory, Murphy's Wood works and a house belonging to George J. Eckert will have to be moved to make room for the building. J. A. Linley who has been with the company years, and will have charge of construction, says that he will build Kirkville the best depot on the Wabash line outside of Moberly.

## Christian Convention.

The annual Christian convention of the Northeast Missouri district began at the Christian church in this city Tuesday afternoon and closed last evening. The meeting was the largest and most successful ever held by the association. There are nine counties and 115 churches in the district and all were represented.

The C. W. B. M. meeting began Tuesday afternoon and closed with two very able addresses in the evening,—one by Mrs. Kate Ellis Reed and another by Mrs. Dr. Hedges, of Warrensburg.

The convention proper began Wednesday morning and was presided over by Dr. T. P. Haley, of Kansas City. The day was principally taken up by the reports of officers and general discussion of the work. The reports showed that there had been 300 additions to the church as a result of six months labor by District Evangelist T. A. Hedges, and that the organizations all over the district had been greatly strengthened during the year. There are 115 churches in the district and all are in much better condition than a year ago. Forty-three christian endeavor societies were organized during the year, and are in a flourishing condition.

It was decided to put a singer in the field with the evangelist and hold a protracted meeting with every church organization in the district during the coming year.

The delegates and others in attendance express themselves as highly pleased with the success of the convention, and feel greatly encouraged by the outlook for the future.

Thursday forenoon was devoted to the Endeavor. The program was very interesting and a good crowd was in attendance. W. F. Turner, of LaBelle, was elected superintendent of the Endeavor work for the ensuing year.

The election of officers, which was made a special order for Thursday afternoon, resulted as follows: President, D. Errett, Palmyra; Vice-pres., W. F. Turner, LaBelle; corresponding secretary, E. A. Richmond, of Macon; recording secretary, J. H. Bryan; treasurer, W. R. Hollaway; Evangelist, T. A. Hedges; LaGrange; assistant evangelist, (singer) C. A. Norris, Shelbyville.

East Side Square.

THE menagerie department of The Great Western L. Main shows is undoubtedly the most complete ever exhibited in one collection.

The amount of money invested in this one department would more than equal, twice over, the amount of money invested in the entire outfit of ordinary shows. A great many dens of rare wild beasts are displayed daily, in the magnificent street parade, which is free to all, and the drove of elephants, camels, dromedaries and other led animals is worth coming many miles to see. These great shows will be seen in all their vast entirety at Kirkville on Friday Aug. 23d.
